A Levels
 - Mathematics
 - Further Mathematics
 - Computer Science

Work Experience

- **Co-op Food** **April 2019 – March 2020**
Part-time Customer Service Assistant
 - Checkout assistant
 - Enhanced important skills like communication and teamwork
 - Experience in working under pressure and coping with responsibility
 - Improved customer service skills like patience and listening skills
- **Oxfam** **July 2017**
Temporary Sales Assistant
 - Variety of in-store roles
 - Gained organisational skills and confidence around new people
 - Increased adaptability and flexibility

Voluntary Experience

- **Successfully organised a charity event** – Raised money for Macmillan cancer support by hosting a pool tournament on University campus. This has helped me build communication and organisation skills.
- **Volunteering** – Have been a part of Sewa Day (a charity organisation) for 5 years. Carrying out different projects every year has helped to increase confidence along with other skills like time keeping and completing targets.

Skills and Achievements

- **Programming skills** – Intermediate knowledge of Java and Basic understanding of Android.
- **Teamworking skills** – Git(Hub) skills Badge acquired.

- **Brunel volunteers award (Silver)** – For clocking over 40 hours of voluntary work including dance performances and a charity project.
- **Nominated for Made in Brunel** – Presented project in front of many industry professionals.

Roles and Responsibilities

- **Charity Officer** – For the Hindu Society at Brunel University. Responsibilities include developing, organising and monitoring the charity events on behalf of Hindu Society. Moreover, ensuring the smooth running of the events and preparing for setbacks. This has strengthened my confidence and organisational skills.
- **Weekly football socials** – Responsible for organising football matches for students. Includes booking a pitch, ensuring the correct number of players are available and fees are paid.
- **Year 1 group project** – Collaborated with Year 1 group to integrate a program that controls behaviour of a robot and implemented one of five robot actions. Created flowcharts and Class Diagrams to help with the design of the software.

Interests

- **Active participation in a weekly youth club** – Trained me mentally and physically. Have developed my personality in terms of discipline, leadership, team work and public speaking skills through activities like sports, debates and annual presentations.
- **Brunel Kho-Kho** – Developed leadership skills to train a set of players that have never played before as well as creating a team to compete in a local tournament, reaching quarter finals.
- **Dance** – Performed in various shows in Brunel representing Hindu Society, as well as, performing in a Dubai Expo commercial and for an intro scene for “The Great Bake-Off”.
- **Old Finchleans FC** – Played in the Southern Amateur League. Being the youngest player of the team, it has enabled me to face criticism and transform it into positive development.
